RE: NOTICE OF REVOCATION HEARING: AS SCHEDULED

You have been returned to the institution because there is probable cause to believe you have violated the conditions of your parole in the following manner:

You will be given a hearing before the Kansas Parole Board on the hearing date shown above, unless the date is changed as provided below. The hearing will be for the purpose of considering the alleged violations of parole, including any contested facts, and to consider whether the facts are sufficient to warrant revocation of parole.

During the hearing, you will have the right to appear and speak in your own behalf. You may bring letters, documents, or other evidence, and any individuals who can give relevant information may appear in your behalf. The witnesses you invite would appear only if they wished to do so, and would have to attend at their own expense. Additionally, at your request, persons who have given adverse information may be called for questioning in your presence, unless the Board determines that the informant would be subject to risk of harm if his/her identity were disclosed. You are entitled to legal counsel at the hearing.

After the hearing, you will be notified of the Board's decision and if your parole is revoked, you will be given a statement of the evidence relied on and the reasons for revoking parole.

After you receive this notice, you should promptly complete the attached form, "Request for (or Waiver of) Witnesses", which is provided herewith in triplicate and send two executed copies to the Institution Classification Director, who will promptly forward one of the copies to the Board in Topeka. If no witnesses are requested, the hearing date will be scheduled on the hearing date designated above. If witnesses are to be called, your hearing may be deferred to the next subsequent Board meeting date in order that sufficient time will be available to notify witnesses and make arrangements for their attendance.

Charles E. Simmons
